

Central Wisconsin Environmental Station

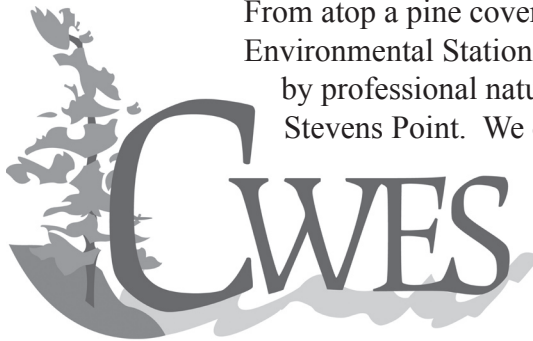

Weekend cabin and lodge rentals

Overnight School Programs

From atop a pine covered ridge 18 miles east of Stevens Point, the Central Wisconsin Environmental Station looks out over clear, deep Sunset Lake. The Station is operated year round by professional natural resource staff and undergraduate and graduate students from UW-Stevens Point. We offer both day and overnight school programs, summer camps, meeting space, cabin and lodge rentals, food service, and team building retreats.

Our programs, natural resources, and staff combine to immerse you in nature during your stay. To learn more call us at 715-824-2428 or visit our website at www.uwsp.edu/cwes. See you soon on Sunset Lake!
