

2009 SENATE BILL 509

February 2, 2010 – Introduced by Senators TAYLOR, HOPPER and DARLING, cosponsored by Representatives FIELDS, TOWNSEND, GUNDERSON, TOLES and SINICKI. Referred to Committee on Health, Health Insurance, Privacy, Property Tax Relief, and Revenue.

1 **AN ACT** *to amend* 71.05 (6) (a) 15., 71.21 (4), 71.26 (2) (a) 4., 71.34 (1k) (g), 71.45
2 (2) (a) 10. and 77.92 (4); and *to create* 71.07 (6g), 71.10 (4) (cg), 71.28 (6g), 71.30
3 (3) (cg), 71.47 (6g) and 71.49 (1) (cg) of the statutes; **relating to:** creating a
4 nonrefundable individual income and corporate income and franchise tax
5 credit for contributions to certain public school programs and to private school
6 scholarship funds.

Analysis by the Legislative Reference Bureau

This bill creates a nonrefundable individual income and corporate income and franchise tax credit for contributions to academic and curricular physical education programs in public elementary and secondary schools (public contribution), and to scholarship funds that are operated and controlled by private schools, kindergarten or grades 1 to 12, and that are used to pay for the tuition and fees of individuals who are enrolled in the private school (private contribution).

The maximum credit that may be claimed for a contribution by a single individual or a head of household is \$1,000 for a public contribution and \$1,000 for a private contribution, each year. The maximum credit that may be claimed for a contribution by a married couple who files a joint return is \$1,500 for a public contribution and \$1,500 for a private contribution, each year. The maximum credit that may be claimed for a contribution by each spouse of a married couple who files a separate return is \$750 for a public contribution and \$750 for a private

SENATE BILL 509

contribution, each year. Finally, the maximum credit that may be claimed for a contribution by a business entity is \$150,000 for a public contribution and \$150,000 for a private contribution, each year.

Because the credit is nonrefundable, it may be claimed only up to the amount of a claimant's income tax liability; however, an unused credit may be carried forward for use in a future taxable year. The credit may not be claimed by nonresidents or part-year residents of this state.

Under current federal law, contributions for which a credit may be claimed under this bill may be deductible on an individual claimant's federal tax return and, if so claimed, may also be claimed under this state's nonrefundable itemized deductions credit. Also, under current federal law, contributions for which a credit may be claimed under this bill may be deductible on a business entity's federal tax return and, if so claimed, may also be claimed as a deduction for state income and federal tax purposes.

This bill first applies to taxable years beginning on January 1, 2011, except that, if the bill takes effect after July 31, 2011, it first applies to taxable years beginning on January 1, 2012.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
