

New CPR/AED Law Affects Your School

Beginning in Fall 2017, Wisconsin law requires private schools to provide AED instruction to all students in grades 7-12 and to provide CPR instruction in health classes for grades 7-12.

To help private schools comply with this new mandate, **WCRIS** has partnered with Staples to use our group buying power to provide affordable access to materials you'll need to follow the law.

CPR manikin 5-pack kit = \$429.00 (Staples sku# 2721292)

CPR manikin 1-pack kit = \$90.00 (Staples sku# 2721291)

AED trainer pack = \$100.00 (Staples sku# 2721323)

CPR Training DVD kit = \$45.00 (Staples sku# 2721293)

Student training is mandatory.

Thanks to your membership in **WCRIS**, your school can access affordable CPR manikin kits, AED trainers, and a free web-based training course.
