

MAPA FORUM

“A Bridge to Better Performance Evaluations – It Starts with Us!”

The essence of the forum is going to be about the preparation for an evaluation, successful tools to use, and the delivery. The delivery component will focus in on the emotional intelligence of the supervisor and the recipient especially managing the reactions to information shared in communication.

Speaker: Kathryn Weber, PHR, SHRM-CP - Kathryn has been certified as a professional in Human Resources

since 1997. Subsequent to obtaining her degree in Finance at UWM, her career at Mercer Human Resources Consulting stemmed nineteen years. At the time of her departure in 2006, through 2009 she was involved in mergers and acquisitions bringing consistency to performance management planning.

Currently she owns and operates Strategic Solutions in Performance Management LLC. Clients of Strategic Solutions look to Kathy for expertise in retaining, engaging, evaluating and developing their workforce. Her expertise in performance management plan design and implementation has led to the founding of an alternative solution, referred to as the **Framework for Improving Teamwork** program.

Kathryn is a preferred partner of *Halogen Software* – an industry leader in talent management. Strategic Solutions in Performance Management LLC is an accredited business of the Better Business Bureau.
