

Mrs. Myers'

Education Services

- Do you have students who **almost** qualify for an IEP?
- Do you have students with an IEP, but who are underserved by your school district?
- Do you have students who would benefit by having stronger reading skills?

If so...we can help!

Consider how the SNSP will help your students as you develop the 2018-19 budget!

Talk to us about bringing speech therapists, occupational therapists, our literacy program teachers, or our resource room teachers directly to your school.

Our student education programs may qualify for speech & OT services under family health insurance.
