

WHAT WE DO

The Mrs. Myers' Curriculum is the perfect way to help students advance their reading skills and build their confidence. They will truly enjoy reading, and become well-prepared for a lifetime of learning.

Students will grow their vocabulary, improve fluency, and build skills in reading comprehension.

While creating their own novel with our *Build-a-Book* app, your student will learn story mapping, sequencing, and sentence structure. Each child becomes an author and illustrator and will be especially proud to share the finished product: a printed novel to take home and keep forever.

"I promise! The teachers of Mrs. Myers' Reading Room will give **results** to your students and your school!"

~ Tammy Myers

WHAT EDUCATORS

SAY...

There is only so much that I can do as a teacher, and the additional individualized support for each student from Mrs. Myers' Education Services makes them more successful in my classroom.

Student attitudes overall are more confident and they are more willing to take risks. They used to not answer questions. Now they're more willing to guess and interact about what they read.

Mrs. Myers' gives them the tools they need to be successful in reading, which has a positive influence on all of their schoolwork.

Preparing Children

for a
Brighter Future

Mrs. Myers'
Education Services

Option One RESOURCE ROOM

This "turn-key" resource room is housed inside your school and comes complete with iPads. We provide a special education instructor, with MMES training, and our oversight.

The instructor works with students through "pull out" services or "push in" classroom assistance.

Our instructor provides...

- student screening and evaluation
- assistance writing student service plans
- quarterly progress reports for the teachers and families.

This option includes up to three school-wide professional development sessions per year, and a school license to use Mrs. Myers' Curriculum.

Option Two JOURNEYMAN

We come to your school twice each week with our iPads and a traveling educator or "journeyman" who is trained in the use of Mrs. Myers' Curriculum.

The educator provides pull-out reading support for the students you identify as having a need.

Our educator provides...

- student screening and evaluation
- quarterly progress reports for the teachers and families.

This option includes one school-wide professional development session per year, and a school license to use Mrs. Myers' Curriculum.

Option Three SCHOOL LICENSE

We train your staff to use the Mrs. Myers' Curriculum with students who need extra reading support. This license includes lesson plans, classroom materials, use of our exclusive *Build-A-Book* app, and "publishing" of up to 250 books per year.

Your teachers have access to our screening and evaluation tools, as well as quarterly progress reports for sharing with families.

This option includes training and support for the teachers using the program, plus one school-wide professional development session at the beginning of the contract.

We can provide consulting and pricing for your purchase or lease of iPads.
