

## AWR 148: Crisis Management for School-Based Incidents: Partnering Rural Law Enforcement, First Responders, and Local School Systems-Virtual Zoom Delivery

AWR 148 is an 8-hour, DHS/FEMA-certified, tuition-free course designed to educate rural law enforcement personnel as well as school administrators and staff on the elements that would allow for an effective response to school-based emergencies. Schools in small, rural, and remote areas across the country account for almost 23 percent of the total student population (more than 11 million students). Rural schools, law enforcement, and other emergency responders are often limited in resources. It is imperative that all potentially affected parties collaborate on planning, preparing, communicating, responding, and recovering from a school-based incident.

Topics include (but not limited to):

- Introduction to Incident Planning and Preparedness
- Proactive Threat Mitigation
- Incident Response
- Incident Recovery
- Vulnerability Assessments
- Threat Assessment Management
- Incident Defusing and Debriefing
- Reunification
- Anniversaries, Memorials, “Copy-Cats”

Who should attend:

- All First Responders, especially Law Enforcement
- School Administrators
- School Safety and Security Personnel
- Community Emergency Management Personnel
- Community Mental Health Personnel
- Community Stakeholders

Non-U.S. citizens are required to complete a DHS Foreign National Visitor Request form 30 days in advance. Contact RDPC at 877-855-RDPC (7372) for more info.

Registration is **required** through the **RDPC website**. Register for this course by visiting the following link:

The Rural Domestic Preparedness Consortium (RDPC) now offers **virtual, instructor-led** training opportunities using Zoom for Government. This new training modality offers a secure, encrypted environment so that emergency responders can train virtually anywhere.

This 8-hour course will be presented over **two consecutive days**. Each day will consist of one **4-hour training session**. Participants are required to use their own computer, tablet, or smartphone during the course. Each participant should log in a few minutes early to test the audio and/or video connection. While downloading the latest Zoom client app is beneficial, it's not required.
