

Set your sights high!

Be a part of a unique learning experience.

The Senate Scholar Program is an intensive week-long educational program offered by the Wisconsin State Senate. Admission to the program is highly competitive and is limited to 33 academically exceptional high school juniors and seniors from around the State of Wisconsin.

Each Senate Scholar receives a hands-on, up-close view of the Legislature's role in our democracy. The Senate Scholars gain experience working with Senators and legislative staff in such diverse areas as policy development, constituent relations, and processing of legislation.
