

# Major Changes to the College Process in 2023-24

This past year has resulted in some of the most significant changes to the college planning process in decades.

- Admission trends have changed around how colleges admit students
- There are substantial changes to the FAFSA and financial aid that may make college more expensive
- Schools have gone ACT/SAT optional, but not necessarily when they award scholarships.

Join us to learn how these changes may impact your family, and new strategies to consider to give your student the best opportunity to be admitted and maximize scholarships and financial aid. If you are the parent of a high school student in grades 9-11, this is incredibly important info you will not want to miss.
