In partnership with parents and churches, Ozaukee Christian School (OCS) integrates faith with learning using biblical principles to capture each student's heart and mind for Christ.

We are dedicated to academic excellence with a uniquely Christian perspective—one that places Jesus at the center of everything we do and acknowledges the Bible as our ultimate authority. We are committed to supporting, not supplanting, the God-given role as a parent. The HOS must develop strategies that will help each child succeed. The HOS must enable our teachers to take time to listen to the goals, hopes and dreams each parent has for each child and work with them to see them to fruition.
