

WCRIS Private Schools & Green Bay Diocese Summer Science of Reading Workshop

June 16-18 | Neenah, WI

Welcome, Private School Educators & Administrators!

On behalf of WCRIS Private Schools and the Diocese of Green Bay, we're thrilled you're joining us for three full days of **immersive** and **phenomenal** training in the science of reading! We hope this workshop equips you with the systems and structures to teach **ALL** students how to read. The schedule and other workshop information can be found on this handout and also online at <https://bit.ly/sorworkshop>.

Thank you for being here!

Workshop Schedule

*The workshop will be taking place in the auditorium. Lunch will be in the gym!

More details on the next page!

Meet Angela Hanlin!

Angela Hanlin is a dedicated and passionate leader in the field of education, committed to fostering transformative change within schools and classrooms. She has built her career on the foundational belief that ALL students have the potential to learn and achieve at high levels. With over 25 years of experience in education, Angela has served as a classroom teacher, instructional coach, curriculum and instruction coordinator, professional development coordinator, building principal, and superintendent. Throughout her career, Angela has received numerous accolades for her performance both in the classroom and as a school leader.

Angela, through her company Angela Hanlin & Associates, works as a literacy consultant. She collaborates with schools, teachers, and educational leaders to advance literacy initiatives and transform literacy instruction. Through her work, Angela aims to empower educators with the tools and knowledge necessary to create a thriving literacy culture that promotes student success. She is the co-author of the book, *It's Possible! A Leadership Plan for Implementing Quality Reading Instruction and Ensuring Literacy for All*.
